MY PET FRIENDS—RECENT & UPCOMING CHANGES

My Pet Friends is expanding. Wade Harper (my father) is now a regular pet sitter. He will share the pet sitting with me during busy times. Wade is also insured and “better than bonded.” Our insurer is Pet Sitters International LLC. Please visit their web site at www.petsitllc.com if you would like information on them. You are always welcome to request a copy of our insurance certificate.

If you are interested, Wade is available to stop

by to meet you. Simply give us a call or send me an e-mail to schedule a time at your convenience. If you prefer that only I (Rachel) sit your pets please let me know as soon as possible and I will honor those requests.

New, but not as new news is My Pet Friends rates have gone up. In April 2008 I changed my rates to \$13.00 per visit for up to two pets.

Three or more pets is \$16.00. Anyone not currently paying these rates will be required to start by November 1, 2008.

As always, your pet sitting dollars cover potty breaks, walks, play time, feeding, litter box cleaning, fresh water, bowl cleaning, mail pick-up and light rotation. Are you curious about the difference in rates for three or more pets? The answer is simply, it takes more time to care for them. Dog walks are usually longer and there is more mess to clean up with more animals.

WADE'S BIOGRAPHY

Wade Harper is a resident of Seven Valleys, PA. He came to live with me (Rachel) after hurricane Katrina. Before that he lived in Goodbee, Louisiana. Wade has lived in Louisiana most of his life.

Wade came from a military

family and was in the Navy himself. After the Navy Wade started working as a house painter. After a while he decided to go into business for himself. He was a house painter for over 30 years until hurricane Katrina when he lost touch with most of his clients and

came to live with me.

THINGS YOU MAY NOT KNOW ABOUT BONDING

Did you know that if your pet sitter or cleaning lady or anyone else coming in to your home is bonded and something comes up missing the person in question might have to be convicted of a crime before you can collect?

My Pet Friends is "better than bonded." Our insurance policy carries Special Property Coverage. This means we are insured for \$10,000 if there should be any loss of your personal property or damage

to your personal property other than your pet. You do not have to file criminal charges and we do not have to be convicted of a crime in order for you to receive compensation. This coverage is in addition to the liability coverage that covers your pet.

I am sure you will never need to use this coverage but it is good information to have. Our insurer is Pet Sitters International LLC and our insurance certificate is available

upon request.
